

Dear Parents,

You and your family are valued members of the Creative Learning Academy community and we are honored that you have chosen us to serve your family.

As you may know, CLA has entered an agreement with TADS, an enrollment and tuition management an system, beginning in the 2017-18 school year. This system allows parents to view statements online and make payments using a bank card, credit card, or checking account draft. You will also have the option of setting automatic payments using a variety of payment options.

If you are registered to make payments on a monthly basis, you will be receiving bills via email from TADS. The TADS system allows you to choose from a variety of payment options as well as selecting from three possible dates (1st, 5th, 10th) for your monthly payment to draft. All accounts are subject to an annual fee of \$45 per family for use of the system and late fees will accrue automatically after the 15th.
